Hello from 50°F Calgary!

Pine Creek Spirits is closed this week. Thus, we are moving this Friday's meeting to the public meeting room at West Donegal Township. If you are unfamiliar with WDT, it is located at 1 Municipal Drive, Elizabethtown. It will not be catered. We will supply pizza and drinks for everyone.

Glen will take care of getting our supplies from Pine Creek.

Thank you to John Yoder for the use of the WDT facility.

Please share this info with any Rotarian you know who may not have or check their email regularly.

Have a great day!

Bylaw Change Notice - Dues Billing Changing to Semi-Annual

Dear Elizabethtown Rotary Club Members;

The Board has been in discussion for several months regarding the dues billing and the "misalignment" with when our District and International dues are submitted. The Board approved the following change to the Bylaws and a revision to General Policy #7 of our Club. The Bylaw change moves the billing from quarterly to semi-annually to match our required payments to the District and RI. It also removes the dues amount from the Bylaws and limits when they may be changed.

The General Policy states when dues notices will be sent, when they are due, when they are considered delinquent, and when the board may terminate membership for non-payment. It also now properly aligns us with the dues collection requirements of the Constitution of all Rotary Clubs. Billing members for dues and other services was meant to be a convenience for members. Unfortunately, the Board spends an inordinate amount of time each month reviewing past due accounts, which is unacceptable for an organization trying to do good in our world and community. This change will not go into effect until the October billing for the 3rd quarter. (Remember, the Rotary year runs 7/1 to 6/30).

Per Article 13 of the bylaws, an amendment to them requires some timing:

"These bylaws may be amended at any regular club meeting. Changing the club bylaws requires sending written notice to each member 10 days before the meeting, having a quorum present for the vote, and having two-thirds of the votes support the change. Changes to these bylaws must be consistent with the Standard Rotary Club Constitution, the RI Constitution and Bylaws, and the Rotary Code of Policies."

We will be missing a number of meetings this month due to the golf tournament and the installation dinner. By providing these changes to you now, we will be able to vote on them when we return to our "regular" weekly meetings by month end (voting on June 23 and June 27, and June 30, if necessary).

A detailed explanation of the proposed changes is printed on the following page. If you have any questions, please feel free to contact Shaun, me, or any Board member.

Thank you,

Debbie Dupler,
Club Secretary, 717-203-9626

2024-2025 GOALS & CLUB NEWS

A PROPOSAL TO AMEND THE BYLAWS OF THE ROTARY CLUB OF ELIZABETHTOWN

At its May meeting the Board voted to change the dues from quarterly to Semi-Annual which requires an amendment to the By Laws and a revision of General Policy #7.

Changing the club bylaws requires sending written notice to each member 10 days before the meeting(s), having a quorum present for the vote, and having two-thirds of the votes support the change. The proposed changes are detailed below.

~~Strike-outs~~ are removed. Underlined words are added.

By Laws, Article 6 (Dues and Fees)

Current wording:

Annual club dues are \$200. They are paid quarterly. Annual club dues include RI per capita dues, a subscription to The Rotarian magazine, district per capita dues, club fees, and any other Rotary or district per capita assessment.

Shall be amended to read:

Annual club dues are ~~\$200,~~ set by the Board at the same time the Annual Budget for the next fiscal year is approved. They are paid ~~quarterly.~~ semi-annually in coordination with required payments to Rotary International in July and January. A proposed increase may be presented at any Board meeting. It must lay over at least 25 days after being announced to the members, giving them an opportunity for comment prior to the vote at the June Board meeting. Annual club dues include RI per capita dues, a subscription to The Rotarian magazine, district per capita dues, club fees, and any other ~~Rotary-international~~ or district per capita assessment.

Explanation:

Many clubs now permit their Board of Directors to establish the amount of annual dues as a part of their fiduciary duties. Specifying the June Board meeting for approval of a dues increase limits the occurrence to once per year. Requiring announcement to the members, and a minimum 25-day lay over, allows for a proposal to be made as late as the May Board meeting, giving the Secretary up to 5 days to deliver the proposal to the members, so they have ample time to speak with Board members privately, or to attend the June meeting and speak prior to the vote.

General policies have been adopted by the Rotary Club of Elizabethtown's Board of Directors to amplify provisions of the Bylaws, or to codify long-standing customs and practices of the Board. These policies do not infringe on the Constitution and Bylaws, but rather, help us better understand these documents, and how they apply to our Club's programs. The Board must be seen as a continuous governing body, even though its membership changes each year. Policies adopted one year do not disappear the next year, unless a time limitation has been included in the text of the policy. A policy created by vote of the Board stands in effect until it is rescinded by vote of the Board. These policies will be published with the Constitution and Bylaws documents where all members can access them, but they are not to be construed as a part of those documents, or as equal to them in importance.

This is provided for information purposes only, and does not need to be approved by the members.

General Policy #7 ~~Quarterly~~ Billing for Dues and Other Charges (revised ~~June 1, 2021~~ June 10, 2025)

Current wording:

All Club members will be billed quarterly for annual dues, as per the bylaws, which include a share of club administration expenses, International and District per capita assessments, rent, insurance, etc. Quarterly billing may also include other charges they authorize, such as contributions, sponsorships, registrations for various programs and events, auction items and other purchases. The Club will not bill for meal cost.

Change to:

All Club members will be billed semi-annually for annual dues, as per the bylaws, which include a share of club administration expenses, International and District per capita assessments, rent, insurance, etc. The Club will not bill for meal cost. ~~Billings-Dues notices will be sent on April 1st and October 1st, due on May 1st and November 1st, and considered delinquent on June 1st and December 1st. The Standard Rotary Club Constitution, prescribed by Rotary International, and which governs our Club, specifies that any member who fails to pay dues within 30 days after they are due shall be notified in writing by the secretary and if the dues are not paid within 10 days after receipt of the notification, the board may terminate membership.~~

~~Quarterly Billing may also include for other charges they authorize~~ authorized by the member, such as contributions, sponsorships, registrations for various programs and events, auction items and other purchases will occur monthly, or as needed. This is a service provided to members for their convenience but is not intended to float long term payment of obligations incurred voluntarily by the members. Payment of the total is due upon receipt. In keeping with the precedent established by Rotary International in the Standard Rotary Club Constitution, any member who fails to pay off the balance within 30 days after they are due shall be notified in writing by the secretary and if not paid within 10 days after receipt of the notification, the board may terminate membership. Termination of membership does not eliminate the payment obligation.

In observance of the Four Way Test, it is the intention of the Board to fairly but strictly enforce this payment policy for the benefit of all concerned.
