Did you know?

Our Rotary Club has accumulated \$120,000 in the Student Loan Fund. This is a total of outstanding loans and cash in the bank account. Just another reason to be proud of our Rotary Club.

In addition to loans, we also provide scholarships from the Doug Pfautz Scholarship Fund. In May we gave \$500 scholarships to Taylor Krebs, Carissa Horst, and Munia Kamal.

A Message from our President, Jeff Clark

IMAGINE
ROTARY

I write this missive from Yost Ice Arena, University of Michigan, Ann Arbor, waiting for my kid to get on the ice. I married into the University of Michigan life, my wife and sister-in-law both being alumni, and my parents-in-law fanatics as well. My son has already chosen U of M as his top school as well. I must say it is nice to follow an athletic program that can authentically claim excellence.

While Gabe's at camp, I've been spending my time playing some disc golf. It's like taking a low- to mid-level hike while occasionally stopping to throw discs (*not* frisbees) towards a basket. It's a real stress reliever and one of the few types of exercise I enjoy. You may not know, but Lancaster, Lebanon and York counties have some of the best courses in the U.S. thanks to our scenic parks and forests.

See you in a week and a half.

ROTARY INTERNATIONAL NEWS

Rotary-USAID Partnership amplifies complementary strengths

Rotary's long and successful strategic partnership with the United States Agency for International Development (USAID) to improve access to safely managed water, sanitation, and hygiene (WASH) illustrates how public-private partnerships can improve impact in the communities we serve and expand services and support beyond what Rotary members could do alone.

Rotary members have worked for decades with local communities and governments to improve access to clean water, sanitation, and hygiene. Our members have given more than 25,000 volunteer hours, contributing their skills and leadership to building water and sanitation systems, strengthening oversight, and helping communities adopt healthy behaviors.

FOUR-WAY TEST

FOUR QUESTIONS – 24 WORDS

THE UNIQUE STEP-BY-STEP PROCESS

PROCESS TO ACHIEVE DESIRED OUTCOMES THAT ARE ETHICAL, FAIR AND BENEFICIAL TO ALL

IS IT THE **TRUTH**?

- Clarity
- Transparency
- Fact checking
- Ethical behaviour

That we do our homework to collect information and to apply critical thinking by asking questions to know the difference between facts, beliefs, assumptions, and opinions as well as know what we don't know.

IS IT **FAIR** TO ALL CONCERNED?

- Inclusion
- Empathy
- Acceptance
- Belonging
- Accountability

That we use empathy to see other points-of-view in the context of the problems to be solved and the goals to be reached.

WILL IT BUILD **GOODWILL** AND **BETTER FRIENDSHIPS**?

- Trust
- Do good
- Feel good
- Have fun

That the process is civil, and there is a feeling of respect and openness to ask the "dumb" question, they can lead to creative and innovative answers. Also, people prefer to work with people they like, respect and trust.

WILL IT BE **BENEFICIAL** TO ALL CONCERNED?

- What if scenarios
- Trade-offs
- Being creative and innovative
- Better decision making

That these are the conflict transformative answers and decisions that can lead to mutually satisfying solutions, that are sustainable and scalable. This can be an iterative process as we learn more from doing and continuously improving with time.

2023-2024 Goals

I have a few things I would like to accomplish over the next year and hope that you can help me.

Goal 1 – 4 unique service projects. Please contact me, Debbie Dupler, or Kristin Brubaker if there are new ways to serve the needs of our community.

Goal 2 – start service project breakfast meeting. This will be a forum to bring ideas for service projects, organize, and implement. If you joined our Club to serve, this meeting will be for you.

Goal 3 - 90% engagement beyond meetings and payment of dues. Volunteer for a service project or a fundraiser, donate money to a fundraiser, or attend a family of rotary or other social event.

Goal 4 – increase membership by 5 net members. This will not only exceed the goal set by the District, but could make us one of the largest clubs in the District.

Goal 5 – revitalize membership committee. We need your talents – help us show our community what we do, reach out to new areas and new people, organize fun activities, help integrate new members.

Rotary Youth Leadership Awards

Dear Rotary Club of Elizabethtown

Thank you for giving me the wonderful opportunity of going to RYLA. I had so much fun learning about leadership, growing my leadership, hearing from all the speakers, and meeting new people. As an extra activity, I joined the choir. It was fun singing, as I had not been in a choir in a little while. I grew in my confidence for public speaking, and even my confidence in general. Meeting new people helped me grow relationships with kids from other schools. Thank you so much for funding my experience at RYLA.

Sincerely Alivia Rutt
