## A Message from our President, Jeff Clark

Second month as President of this great club! I made it!

Facebook's algorithm reminded me that five years ago the Club volunteered at the Wittel Farm Growing Project, which is one of my favorite service events. All the harvested produce goes to community cupboards and food banks. I had my 3<sup>rd</sup> grader with me, soon going into 8<sup>th</sup>. I saw high school kids in the pictures, now in college. And so many other faces of hard-working Rotarians.

If you can make it, I encourage you to sign up to help us again on August 26<sup>th</sup>, starting at 9:00 – sign up at the link in the spoke ( page 8), on the website, or just tell me you you'll be there and I'll sign you up. This Club does great things, and we need you!

## ROTARY INTERNATIONAL NEWS

# Mário César Martins de Camargo of Brazil

## selected to be 2025-26 Rotary International President

Mário César Martins de Camargo, a member of the Rotary Club of Santo André, São Paulo, Brazil, is the selection of Nominating Committee for President to become Rotary International's president for 2025-26. He will officially become the nominee on 15 September if no other candidates challenge him.

De Camargo plans to boost Rotary's public image by working from the top down.

"Rotary today has strong competition for members and funds," he says. "We need to rejuvenate the brand, especially in some zones. We should utilize post-pandemic meeting tools ... to allow the president to address Rotarians all over the globe. We also need to develop more long-term partnerships with political, community, and business leaders. Let's emphasize our greatest asset: 1.4 million volunteers."

He also hopes to improve Rotary's process for appointments and governance.

"Rotary should adopt a more transparent system to appoint volunteers for positions, with clear criteria and data-based evaluation of results," he says.

De Camargo was president of Gráfica Bandeirantes and has been a consultant to the print industry in Brazil. He has also served as president and chair of several printing and graphics trade associations, including the Brazilian Association of Graphic Technology and ABIGRAF, the Brazilian Printing Industry Association.

He has served on the board of Casa da Esperança (House of Hope), a hospital sponsored by his Rotary club that serves 150,000 children with disabilities every year.

De Camargo studied in the U.S. and Germany and holds degrees from EAESP-Fundação Getulio Vargas in business administration and Faculdade de Direito de São Bernardo do Campo in law.

A Rotarian since 1980, de Camargo has served Rotary as director, trustee, RI learning facilitator, committee member and chair, and task force member.

De Camargo and his wife, Denise, are Major Donors and Benefactors of The Rotary Foundation.

To learn more about de Camargo, read his [interview and vision statement](#), which outline his goals for Rotary.

- 1) Stress sustainable membership growth as #1 corporate priority
- 2) Increase partnerships, of all sorts
- 3) Emphasize diversity
- 4) Improve the merit system for appointments and governance
- 5) Boost public image, starting from top down

## 2023-2024 Goals

I have a few things I would like to accomplish over the next year and hope that you can help me.

Goal 1 – 4 unique service projects. Please contact me, Debbie Dupler, or Kristin Brubaker if there are new ways to serve the needs of our community.

Goal 2 – start service project breakfast meeting. This will be a forum to bring ideas for service projects, organize, and implement. If you joined our Club to serve, this meeting will be for you.

Goal 3 - 90% engagement beyond meetings and payment of dues. Volunteer for a service project or a fundraiser, donate money to a fundraiser, or attend a family of rotary or other social event.

Goal 4 – increase membership by 5 net members. This will not only exceed the goal set by the District, but could make us one of the largest clubs in the District.

Goal 5 – revitalize membership committee. We need your talents – help us show our community what we do, reach out to new areas and new people, organize fun activities, help integrate new members.
