A Message from our president Debra Dupler

Happy November! My apologies for being long-winded. There are several club members that deserve a "shout out". Actually, there a lot that deserve one. So, I'm going to try to mention a few each week.

*I don't think I've thanked **Tyler Smith** for another successful Roadside Cleanup. Tyler has been the lead on that project for many years without much fanfare. Thanks to Tyler's leadership, it runs like clockwork!

*We are putting the final touches on the Pints for Polio monies and hope to have that number out soon. Thanks to Pint Chairs, **Alyssa Roth and Denise Grove**, and their committee for another successful year. It also warmed my heart to see the support provided by our neighbors from Mount Joy and the reciprocation by our club.

*This past weekend, we were to paint the East Donegal Conoy Food Bank building. It's never a good idea to paint a wet block building in the rain. Thus, we have postponed that project until the spring. I'd like to thank **Lori Funck** for being the liaison on this project. Another thank you goes out to **Zach Carter** for supplying the paint. It'll keep until spring!

*There is no time to rest! We are scheduled to help at the Central Pa Food Bank on November 10th. Sign up is open on our web-site. Thanks to **Jeff Clark** for continuing to lead us with this quick, easy and quite necessary project.

*We are only a few weeks away from the Christmas Tree sale. Thanks to **Glen Bootay** and his crew for putting this together. I know this takes a lot of work! Be sure to check your emails and sign up for a minimum of two shifts (if you are able).

*I will not be at the meeting this week. Thank you to **Ralph Detrick** for covering for me.

I leave you with this.....

ROTARY INTERNATIONAL NEWS

Kiwanis, Lions, Optimist, Rotary, join for week of service to Celebrate Community

Celebrate Community, a joint initiative of the four major volunteer service organizations, will launch this year with a focus on local community service during the week of October 10 to 16. The organizations – Kiwanis International, Lions Clubs International, Optimist International, and Rotary International – have collaborated during the past 18 months to share ideas on future collaborations. This first public effort encourages clubs to reach out to one another to work together on projects that improve and benefit local communities.

“All of our organizations serve our communities to change lives. We must ensure that our various clubs identify a local need and work together to provide the service to fulfill that need,” said Shekhar Mehta, President, Rotary International.

“We have so many common goals and objectives,” said Peter Mancuso, 2021-22 Kiwanis International president. “The Celebrate Community initiative is one way to join together to work on a project that will have a measurable impact on communities around the world.”

“We can help the world recover in this time of need when many are still struggling,” said Douglas X. Alexander, International President for Lions Clubs International. “If we let our passion for service shine through, there is absolutely nothing we can’t accomplish together.”

Patsy Garner, 2021-2022 Optimist International President, supports the effort to encourage all service clubs working together to help their communities. “Now, more than ever, collaboration is needed. Resources can be scarce and a joint effort could make a far greater impact in our communities than a single act.”

Clubs are encouraged to work together on projects such as health and wellness, food insecurity and hunger, education and literacy and environmental projects. Efforts could include community cleanups, food donations and distributions, walks or runs to raise money for specific causes and collecting books to help children build personal libraries. Clubs should follow all local guidelines for meetings and gatherings. Clubs that involve youth participants should follow organizational youth protection guidelines. A full [list of ideas](#) can be found here. All four of the leaders said this initial effort is a springboard to the future — they envision an annual project in which all the clubs around the world collaborate and bring their youth clubs along, too. The joint project also allows community members who are serving in different clubs to learn more about each other, their organizations and their combined efforts to help children and adults who are challenged by environmental or financial difficulties.
