**President's Message**

Dear Fellow Rotarians,

This month is Maternal and Child Health month. This is just one more great initiative taken on by Rotary to help women and children. Our Students of the Month certainly remind us of how blessed our children are in our country. However, this is not the case for many children around the globe. Let us take on a personal challenge to find ways to help and serve women and children in need.

Service above self,

**Patrick Wolfkill**  
**President**
