President's Message

Spring is here!!! Although winter had to have the final word on the first day. With Spring comes the approach of "A Taste of Mechanicsburg" and I am so excited to see how this comes together on the 21st. Please make sure that you sign up for a responsibility that evening. Thank you to all of the club members who have worked so hard to make this event a reality.

Please also take some time this month to reflect on the privilege of being in a position to provide your children/our children with endless opportunities. I am reminded, through the Maternal & Children's Health Rotary theme that a large percentage of our global population cannot provide for their children and their mothers in the same way.

Keep an eye out for more information regarding the combined clubs tree planting project the morning of April 21st. And I look forward to FINALLY celebrating our Anniversary Dinner on the 25th.

~Amy Bockis~
