**President’s Message**

August is a Membership and Extension month for Rotary. We should take a moment to reflect on the recent growth in our membership and and celebrate the wonderful sanitation project in El Salvador that was recently concluded. However, we need to continue to focus on attracting new members and retaining our existing ones. The primary way we can achieve this is to have exciting an effective service projects. This month we will roll out a strategy to engage new areas of our community while continuing to serve and support some of our legacy partners. Stay tuned!
