President’s Message

The month of July, and my first month of serving as our club’s Rotary president has passed in the blink of an eye. I now find myself faced with the second month and the reality of what this service entails...which is oddly discomfoting as I invested so much energy into the first month. The discomfort lasts but a moment as I reflect on how much of an hour it is to serve our community alongside 27 other amazing Rotarians. Our first service project required more squatting, hoeing, pulling, then the average Rotarian in our area must be burdened with, and 10 fellow Rotarians showed that they had the tenacity, perseverance, and gumption of the average 10 year old. With this support behind me, I go into our second month with great anticipation and enthusiasm and thank this club for being so wonderful in the first month of this Rotary year.
