**President’s Message**

I appreciate everyone starting July as the new Rotary year and entertaining some of the new ideas we have for the club going forward. Your feedback and input is important for the continued success of our club. We enter August as the last month of summer and thoughts of back to school shopping already! August is Membership month for Rotary, and my challenge to each of you is to think of some people we can invite to our club for new members. Thanks to all the members getting our August speakers lined up as well.
