President’s Message

November is now gone and we are looking forward to Christmas. John did a fantastic job with our speakers. The focus on the foundation is a worthy effort, finalized by the dinner on the 30th. Our students this past month were also inspiring; it is very nice to know the generation coming up has many great people.

December is Disease Prevention and Treatment month; speakers are provided by Bob Brown, knowing Bob, we are in for some interesting conversations! We look forward to what he has put together for us.

Finally, let’s all keep in mind what this Christmas season is all about; this is a favorite time of year for me and my family. With our grandsons being almost 4 and almost 3, kids bring out the best in us.

Merry Christmas!
Mark Dixon
