“Arguably the greatest technological triumph of the century has been the public-health system, which is sophisticated preventive and investigative medicine organized around mostly low- and medium-tech equipment; ... fully half of us are alive today because of the improvements.”

**President’s Message**

Fellow Rotarians, as we close out another decade, let’s look back and see all the good we’ve done over the last 10 years. According to our treasurer report, we have given **\$255,657.76**, over the last 10 years including this year. What an accomplishment for our club!! We should also look forward to how we want to shape our club for the next decade. As we approach the holidays, let’s look for ways we as individuals can continue to give back show what a great club we have. Thank you to each member and Merry Christmas to all.
