**President’s Message**

Happy New Year to all! I hope that everyone was able to ring in the New Year surrounded by loved ones and that all felt whole and healthy.

I've reached the half-way point in my year in service to this club as president! I have not yet been ousted, so I will take that as a positive sign. It remains an honor to be working with my fellow Rotarians. There are a number of events to look forward to in the remaining six months of my term: the successful planning and implementation of The Taste of Mechanicsburg in April, the planting of 100 or so trees with Rotarians from Mechanicsburg-North and West Shore clubs, meeting our Students of the Month and selecting our student scholarship recipients, and the development of another international service project with our friends in El Salvador. Thank you to John Cope for the programs for this month.

May this year bring great joy to all of our hearts! May we, as Rotarians, continue to serve our community and each other. Thank you for being such a great group of individuals to serve with!

Amy Bockis
