President’s Message

Fellow Rotarians,

I write my first message to you as the President of the Mechanicsburg Rotary Club with great excitement. Before we start this journey into a new year, I must first thank Amy Bockis for her work during the past year. From getting the Taste of Mechanicsburg off the ground (very successful) and organizing some great service projects, all of this while being a full time mother/wife/worker, quite the busy schedule. Amy, thank you for leading our club for the past year.

For the 2018/2019 year, I believe our Rotary Club has a few goals for the next year. First, we need to reverse the change in membership numbers. We all will need to reach out to potential new members and invite them to our club. This is a great opportunity for our club. Second, we need to work on recruiting younger members. We need to find what these younger members want out of a Rotary club and see what changes we may need to implement. Finally, we need to continue the success of recent fundraisers so we can continue to support our local communities.

I look forward to working with each of you over the next year. I welcome all of your comments on how we can continue to the make the Rotary Club of Mechanicsburg a successful club for years to come.

- Mike McConahy
