President’s Message

The 2016-2017 season has flown by and I suddenly find myself slipping & sliding into my year as the Rotary Club of Mechanicsburg’s president. I cannot even begin to express the gratitude that I feel for all of our members who have reached out to me to ensure that the start of my term has been smooth and seamless.

My upmost appreciation and thanks goes to Mark Dixon, fearless leader of our club this past year. He included me in every decision for our club, honestly conveyed the areas in which our club might need some improvement, and gave me the space to indulge my nerdy obsession with zombies, including roping Denise into the madness. It has been an absolute pleasure working with him this year and I look forward to our continued friendship.

Let it be known that I am incredibly excited to serve as your President this year, and I anticipate great conversations, great social events, great service to our community, and most importantly, the building of wonderful friendships!
