President’s Message

I have eagerly been awaiting the end of my term as the 2017-2018 president of the Rotary Club of Mechanicsburg; however, now that it is here, I find that I have lost some of that eagerness. It is truly an honor to work with this team of Rotarians. I enjoy our different perspectives, our collective patience, our willingness to step in when gaps are found, our ability to try new things without complaint.

All of our club's strengths have given us the ability to continue to offer \$12,000 in student scholarships. We were able to develop and implement two successful fundraisers that will fund our future local and international projects. Most humbling for me: my fellow Rotarians who stepped up to serve with me at the New Hope Food Pantry for our multiple service projects.

Let us continue to serve each other and our new president, Mike McConahy, as he brings forth new ideas and new challenges. Thank you for your patience, your willingness to jump in, and for welcoming me as your president for this past year.

With great warmth and respect,

Amy Bockis
