President’s Message

There are no words to define the gratitude that is contained within me following the success of our first tasting event. The way that our club came together to make this event a success left me feeling like the proudest parent alive. Thank you for the time, energy, money, patience, and persistence that were contributed towards A Taste of Mechanicsburg. I believe that we laid a very solid foundation for next year's event.

Two more months...only two more months of my term. Here too I find myself at a loss for how to effectively express my thoughts/feelings surrounding the ending of this phase of life. Perhaps you, as fellow Rotarians, can help bring effective closure by thinking over the next two months of what has gone well this past year, what hasn't worked that well, what would you like to see more of in our club leadership team, and how can you contribute to that growth/improvement? The success of our club does not rest solely on the shoulders of the leaders or on the shoulders of the president. It rests on all of our shoulders as members of a 1.2 million member organization. Let our success in A Taste of Mechanicsburg, carry us forward with positive attitudes and renewed energy/commitment to Service above Self.

~Amy Bockis~
