President’s Message

Although I tend to scrutinize every occurrence, everything said, everything unsaid, I am thankful that November always serves as an extra reminder to step back and take stock of life and how much I have to be thankful for. I am certainly thankful for the lessons that I am learning through Rotary. I am thankful for the diverse personalities within our club. I am thankful for the camaraderie. Most importantly, I am thankful that we have a group of 25 people that want to give their time and energy to serving others, our community, and this beautiful planet that we live on.

Thank you John Cope for putting our service project together for the month and thank you Bob Brown for the programs. Let us all enjoy our time together and be thankful for what we all bring to the table.

Amy Bockis ~
