President’s Message

Fellow Rotarians,

As we head into November, let us all be thankful for the friendships we have all built in this club. Rotary has brought us all together to serve our community and beyond. Let’s be thankful we live in a community that allows us to serve its members. Let’s be thankful we have members with diverse views, but continue to serve together for the common good. Let’s be thankful we have each other to help fellow Rotarians in need. And finally, let’s be thankful we have another day to serve our community. I am personally thankful for each of your memberships and what you bring to the Mechanicsburg Rotary Club.
