President’s Message

As Rotarians, we can use our vocation in several practical ways.

We can talk about our vocation in our club, and take time to learn about fellow members’ vocations.

Use our professional skills to serve a community. Practice our profession with integrity, and inspire others to behave ethically through our own words and actions. Help a young person achieve his or her career aspirations. Guide and encourage others in their professional development.

If you do any of these things, you are performing vocational service. Let’s use our talents and abilities to be a gift to the world!

President, Patrick Wolfkill
