APPLICATION FOR CHARTER MEMBERSHIP

Rotary Always Here

When you want; Where you want!

Rotarians of District 5010 have always worked with the limitations inherent in the road system. So much of what we do dictates air travel based on the few available highways. In the past, a simple move or a change in job assignment often meant losing access to the weekly Club meeting and fellowship so prized by all Rotarians, especially to those of District 5010.

Momentum is building to bring you an alternative: an eClub for Alaska-Yukon. An eClub functions nearly the same as the “brick and mortar” club of which you are well familiar. There are meetings, fellowship, speakers, projects, officers and District-wide participation to which we all look forward. Imagine a truly silent “silent auction.” Visualize a regular Club meeting, hosted on the Internet whose field of membership extends across the entire 5010 District.

We are personally inviting you to make history and be a charter member of the first eClub in District 5010. You can make history with us. Take a few minutes to complete the enclosed application, and if you know of any others invite them along too!
