

4th ANNUAL GOLF TOURNAMENT AND BUNCO PARTY

The 4th Annual Nimitz Rotary Golf Tournament and Bunco Party will take place again on Columbus Day, Monday, October 13, 2025 at the Lady Bird Johnson Municipal Golf Course in Fredericksburg. Registration is now open for teams and players for both golf and bunco. Participants will enjoy a fun day on the course, playing bunco and bidding on a wide variety of auction items for another great cause!

The Nimitz Rotary Club of Fredericksburg has always supported local causes through their annual tournament. Past projects have seen the club fund the restoration of the iconic Cross on Cross Mountain and assist with funding the Fredericksburg Volunteer Fire Department's equipment and capital improvement fund in memory of Captain Stacy Kuhlmann. This year, the club is focusing on placing Automated External Defibrillators (AEDs) in every local law enforcement patrol vehicle currently without one, aiming to enhance public safety by improving response time during cardiac emergencies. Law enforcement is typically the first to arrive at emergency scenes and having these life-saving devices on hand could make a life-saving difference.
