PEOPLE OF ACTION

Our e-Club is a proud part of the local and world wide community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Our e-Club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We are working with various partners on the following projects:

- International Project - Dambana School, Sri Lanka. Providing clean water, toilet facilities and educational supplies.
- International Project - Supporting "Rice for Cambodia" providing educational tools and health care.
- International & Local Project - SHARE (Serving Humanity & Repurposing Equipment). Providing used medical equipment and educational supplies to overseas hospitals and communities.
- Local Project - Say No to Domestic Violence.
- Ending polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organisation, and UNICEF to end polio, once and for all.

GET INVOLVED

Becoming a Rotary On-Line member enables you to meet local and international community leaders and to make an impact both here and around the world. We invite you to visit our e-Club and find out more about us and the opportunities we offer to get involved.

Our members have found that it's a truly rewarding experience.

Meeting On-Line, it is far easier to meet, to engage with guest speakers and to share presentations and ideas. You can befriend extraordinary people from around the world that you would never in a thousand lifetimes otherwise meet.
