

Become involved with a local Rotary Club through our Friends of Rotary program.

The Rotary eClub of Latitude 38 is offering local community minded individuals the opportunity for sharing ideas and objectives with a Rotary International club to achieve outcomes within their local communities.

Becoming a [Friend of Rotary eClub of Latitude 38](#) allows those who share our ideals and objectives to participate in our activities without the responsibility of full membership. There are many people who would otherwise qualify for membership but simply do not have enough time or resources to be a full member of a club.

Being a [Friend of Rotary eClub of Latitude 38](#) means you can help in local fund raising by participating in club events or by making donations to club projects. Some club events are not specifically for fundraising but for socializing – Rotarians call this fellowship, and opportunity to enjoy activities and each other's company, catch up with old friends and make or develop new friends

As a [Friend of Rotary eClub of Latitude 38](#) you will be kept abreast of club events and will be invited to participate and contribute to Rotary activities which may simply involve giving some of your time. There is no minimum level of contribution. All help is always appreciated in helping us help the community.
