#### **OPPIE KOPPIE ECD – PRINCE ALFRED HAMLET**

**OCTOBER 2017**

With Dez Jansen (Vuya Foundation and Rotary Club of Pinelands), Graham and I visited the ECD as part of the due diligence to verify the intended CSI on the extension of the ECD. The addition of one classroom was proposed.

We have subsequently agreed that we should plan for the doubling of the number of classrooms from 3 to 6 to meet the longer term needs of the ECD and the community.

Graham will draw plans for the great project. We accept that we may start with one additional classroom but will plan for more.

## OPPIE KOPPIE ECD

The existing ECD was designed and constructed by a team from Germany, architectural professors and students, who stayed in the area during the construction. It is a unique building, wood panelled, high ceilings, a wide sheltered patio and a unique roof structure. It is lovely.
