FREMONT - The Fremont Rotary Club held its 2nd Annual Blues, Brews & Brats Festival downtown on Saturday, featuring live music, craft beer on tap, grill-cooked bratwursts and more.

The service club's only annual public fundraiser was held in the 200 block of South Front Street and drew an estimated 533 attendees. All proceeds will go to support a variety of local youth and community projects organized by the Rotary Club of Fremont.

Performers included blues artists Bobby G & Frenz, Kelly Richey and Jeff Jensen. Beer was provided by the Catawba Island Brewing Company and Ballville E-Z Shop supplied the brats.
