

ProMedica Memorial Hospital donates medical supplies to Rotary MESA

Submitted story 6 p.m. EDT March 28, 2014

FREMONT – ProMedica Memorial Hospital recently donated a truckload of medical supplies to Rotary’s Medical Equipment and Supplies Abroad program.

The second-hand supplies provided to MESA will be used to meet humanitarian needs throughout the world.

This donation was coordinated by Chasity O’Neill, manager of the ProMedica Foundation. O’Neill is a vice president of the Rotary Club of Fremont and chairs Fremont Rotary’s International Service projects.

“At Memorial, we are committed to serving the community,” he said.

“We are pleased to make this donation to MESA through Fremont’s chapter of Rotary International,” said Joe Buti, director of materials management at ProMedica Memorial Hospital.

MESA collects, sorts and identifies the donated equipment, and then determines where the items are most needed. MESA ships medical equipment to clinics in countries such as Guatemala, Zambia, Cambodia, Honduras and many others.
