FREMONT – The Rotary Club of Fremont hosted a meeting of the Ohio-Erie Rotary Youth Exchange on Saturday. Representatives of 10 Rotary Clubs attended along with exchange students from Belgium, Brazil, France, Mexico and Peru.

These students are spending this school year in northern Ohio through the Rotary Youth Exchange Program. Ohio-Erie is approved by the Council on Standards for International Educational Travel and manages the placement of outbound students into over 35 countries around the world.

Fremont Rotarian Scott Lang of Motion Controls Robotics Inc. hosted the meeting in his offices.
