

Charity Golf Day

Monday 20th October 2025

4 Ball Ambrose

Shotgun Start - 8:15am

Breakfast from 7:15am

Blue Wren House. Camden
Women's Shelter gives women and children experiencing domestic and family violence a safe, secure, and supported place to call home.

Organisations to benefit from the Golf Day

The Right Start Foundation is a Macarthur organisation committed to raising awareness about Down Syndrome and giving these children the best start in life. With early intervention they can achieve the highest goals and become assets to our communities.

The Foundation has partnered with The Shine Shed, Campbelltown, to provide a unique monthly support group for parents and their children to get together to discuss issues and share problems and solutions

Little Wings is a non-profit organization that provides free, professional, and safe flight and ground transport services for seriously ill children in rural and regional NSW. They strive to ease the journey and help sick children access specialised medical services and treatments that are only available in major cities and towns. They support families by softening the financial burden, emotional strain and travel fatigue that children experience due to the long-distance travel.

Camp Quality is an Australian children's cancer charity. We bring positivity, fun and laughter back into the lives of kids facing cancer. Camp Quality's supportive programs and services help families build optimism and resilience by giving them the opportunity to reconnect during or after hospital treatment, providing a fun break from cancer and supportive community at a Family Camp, Kids' Camp or Family Fun Day.

Big Yellow Umbrella provides services, programs and activities to meet the needs of all sectors of the local community. Our services include a Children's Services program, Youth Services, and Community Development, including promoting and supporting a number of community groups since their inception.

The Rotary Club of Camden supporting our community projects and programs.
