The Stratford Rotary Club is part of Rotary International (RI) which represents a cross-section of the community's business and professional men and women who have subscribed to honorable and ethical standards in their personal and vocational conduct, and who have a desire to do good things for other people both locally and internationally.

Rotary is solely about service in the community, the workplace, and throughout the world. There are approximately 1.2 million members in more than 166 countries worldwide. We are nonpolitical, nonreligious, and we encourage all cultures, races, and creeds to belong.
