## **Suitability for Membership in Cedar Rapids 'Downtown' Rotary**

Established in 1914, the Rotary Club of Cedar Rapids is Iowa's fourth oldest Rotary club, one of the 25 largest in the US and with a tradition of high ethical standards, highly respected in the region. Since Rotary began in 1905, it's been an organization dedicated to service and the opportunity to build relationships with fellow community members. Often referred to as the 'Downtown Rotary Club,' ours is a club with a proud tradition including contributions from many of our community's greatest leaders.

In an effort to contribute to the legacy as well as the diversity of our club, the Rotary Club of Cedar Rapids has established some general qualification guidelines for membership. Please describe your roles of leadership, professional positions and community involvement.
