

Rotary Club of Cedar Rapids Guidelines for Charitable Contributions

The Rotary Club of Cedar Rapids is committed to supporting charitable activities at the community, district, national and international level. The primary areas of focus for our giving include **children, civic/economic development, education and health/human service** programs. The club's Board of Directors is charged with overseeing and encouraging charitable giving to make the greatest impact for the club in its focus areas. We generally only consider contributions to programs for which Rotary is the principle catalyst or to 501(c)3 organizations with programs in our focus areas. Applications will be reviewed on a quarterly basis and a formal presentation of the project may be requested.
