WHAT IS DECORAH ROTARY?

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity. Club Service, Vocational Service, Community Service, International Service, and Youth Service

What is Rotary?

Founded in 1905, Rotary is the world's first service organization. It has now grown into a global network of over 1.2 million members in 200 countries

Rotary clubs are non-religious, non-governmental and open to men and women of every race, culture and creed.

Rotary club members represent a cross-section of local community business and professional leaders who volunteer their time and resources to help others in their communities as well as throughout the world.

Rotary clubs carry out a variety of service projects. "Polio Plus" is a worldwide effort to eradicate polio, which used to claim hundreds of victims and now is found in only two countries in the world. Other Rotary projects target hunger, poverty and pollution. Service to children is a major emphasis.

LOOP DE LOOP: COMMUNITY SERVICE

A strong emphasis of Decorah Rotary has been the Trout Run Trail. Rotary donated the money used to start the first planning for the trail. Rotary's Loop de Loop Sk/10k/half marathon, held every fall, raises money for trail projects, which in the past have included signage for the trail. Most recently Rotary held a motorized tour of the trail for seniors and others whose physical limitations made it difficult for them to use the trail.
