DECORAH ROTARY CLUB

COMMUNITY

SERVICE

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

WHAT IS DECORAH ROTARY?

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity. Club Service, Vocational Service, Community Service, International Service, and Youth Service

What is Rotary?

Founded in 1905, Rotary is the world's first service organization. It has now grown into a global network of over 1.4 million members in 200 countries.

Rotary clubs are non-religious, non-governmental and open to men and women of every race, culture and creed.

Rotary club members represent a cross-section of local community business and professional leaders who volunteer their time and resources to help others in their communities as well as throughout the world.

Rotary clubs carry out a variety of service projects. "Polio Plus" is a worldwide effort to eradicate polio, which used to claim hundreds of victims and now is found in only two countries in the world. Other Rotary projects target hunger, poverty and pollution. Service to children is a major emphasis.

COMMUNITY SERVICE

A strong emphasis of Decorah Rotary is service to our community. Rotary hosts an annual motorized tour of the trail for seniors and others whose physical limitations make it difficult for them to use the trail. We have partnered with other community organizations such as the Fire Department, Parks and Recreation, Tree Board and many others to assist in completing projects to better our community.
