Thanks to the hard work of Al DeLucia and several medically trained committee members Sarah Kohl, Steve Morreale, and Cliff Milowicki, and Terry Wilttrout (with the help of Acacia, Terry's Director of Public Relations,) our annual multi-phasic blood testing event was raised to a full fledged Health Awareness Fair. This year, the event was held at the beautiful new West Penn Allegheny Health System building on Rt. 19. In addition to the traditional blood testing, complimentary screenings were done for hearing, glaucoma, blood pressure and body mass index. Several organizations set up booths to distribute information including the National Liver Foundation, the Ovarian Cancer Foundation, the nutrition department, and Cancer Care—Radiation Therapy. Steve set up the Shelter Box tent with all of the contents for everyone to take a "tour." Special guests for the day included LPGA star, Missie Berteotti who gave complimentary golf swing assessments and tips, and Representative Tim Murphy, who stopped by for a visit. This was also our first joint project with the Interact Students who held a Chinese Auction and 50/50 to help raise money for their many projects. Many members volunteered their time to help facilitate the registration and processing of the blood testing candidates as well as guide visitors through the booths and exhibits. Although this event is not a major fundraiser for us, everyone thought the day went well and that we should try this again next year.

# Calendar of Events

June is **Rotary Fellowships Month**. Fellowship brings some important ideas to mind, including sharing, connection, and community. Rotary is an amalgam of individual communities — the club, the district, the region, and the world — each offering a different type of fellowship.

Rotary Fellowships, which are open to Rotarians, Rotarian spouses, and Rotaractors, help foster international understanding and can contribute significantly to individual communities. Because fellowships must have a member base from at least three countries, they are rooted in local environments, but at the same time link Rotarians with similar interests all over the world.

Each fellowship is officially recognized by the RI Board of Directors but operates independently of Rotary International, with its own rules, dues, requirements, and administrative structure.

RI Website

## Upcoming Programs

- **June 2—Rotary GSE Team from Norway**
- **June 9—Stephen Eckert, Genius Marketing, sponsor Dave Kramer**

**Club Service—John Pikras**

**Community Service—Al DeLucia Jr.**

**International Service—Jim Mortimer**

**Vocational Service—Harry Funk**

**Fund Raising—Gary Rosensteel**

**District Governor—Walt Olshanski**

**RI President—Ray Klingensmith**

## Club Happenings

The scholarship committee met on May 18th at Peters Township High School and interviewed seven candidates for our Rotary Scholarships. Two deserving candidates were chosen, and President Tony announced the winners at the Senior Awards Program at the high school on June 7th. Once the students satisfactorily complete their Freshman year of college, they will come back to speak to the club and pick up their check.

Tod Wilcock returned from Florida just in time to receive his Paul Harris +4 designation and

receive an additional award for becoming a Rotary Benefactor.

Thanks to committee members Dave Wylie, John Pikras, Tom Sertik, David Bayne and Don Angel who lent their time and talents to assist committee chairperson, Al DeLucia with this process.

Paul Owens presents President Tony with a plaque as appreciation for the club's contribution to his Relay For Life Team.

While PDG, Stephanie Urchick was on hand to give her presentation on the Rotary Foundation, we also had the opportunity to have her officially induct Sandra Castro into the club. Coincidentally Sandra celebrated her one year anniversary this same week.

This month we also inducted our two newest members to the club, Kristen Painter and Nick Callas who are seen here with their sponsors, Mike Chiado and Gary Rosensteel.

### **The Four Way Test**

*Of the things we think,  
say or do*

*Is it the TRUTH?*

*Is it FAIR to all  
concerned?*

*Will it build GOOD  
WILL and BETTER  
FRIENDSHIPS?*

*Will it be BENEFICIAL  
to all concerned?*

Melissa Bittner is our club's Youth Exchange Student. She is pictured here at a bowling outing during the district conference for youth exchange and RYLA students. Melissa, who was also this year's Interact Club President will be spending her Senior year in Finland.

## There's An App For That!

Gary Rosensteel shared some exciting new technology with us. "Those of you with iPhones can now take advantage of a new application provided by RI, Rotary Club Locator. You can search for specific clubs or do a 'location' search based on X miles from your current location, and you can limit the results to a specific day of the week for their meeting. If you register as a user with RI, you can go further to get the contact information for each Club's President and Secretary, along with a map of where they meet."

And according to President Tony, we are now on Facebook. You can visit our Facebook page: McMurray Rotary Club. And if you like to follow your favorite stars on Twitter, now you can follow the McMurray Rotary Club at [mcmurrayrotary](https://twitter.com/mcmurrayrotary).

## Fine Dining Fireworks

All of the tickets are out for our latest fundraiser, the "Fine Dining Fireworks" raffle but just over half of the money has been collected. If you have any outstanding ticket stubs and money, please turn them in to Gary or Marcy ASAP. The deadline will be June 23rd which will be our last meeting prior to the drawing. We need to make sure that all tickets are sold and money is collected. Remember the winner will be based on the three digit PA Lottery number drawn on July 4th, 2011.

The prize is really nice, four \$100 gift certificates, one each to Atria's, Juniper Grill, Franco's, and Table.

### May Programs

- **May 5—PTHS Interact Club**—Interact Faculty Advisor, Gloria Laux and Interact Officers Melissa Bittner and Kelsey Kern came to meet the club and talk about the activities that they have done since the club started this year and also about the many plans that they have for next year. Melissa Bittner, Club President is also our Youth Exchange Student and will be spending her Senior year in Finland.
- **May 12—Club Assembly—Rotary Foundation**—Past District Governor, Stephanie Urchick gave a presentation on The Rotary Foundation. She explained how the money that we donate to the Foundation is multiplied to help many programs like the Youth Study Exchange, the Group Study Exchange as well as our national projects like the Cali Orphanage and back to local programs like the water fountain at Peterswood Park in the form of District Simplified Grants.
- **May 19—Save the Lake**—Wally Klein, sponsored by Bill Gullborg, came to give a presentation on one of our local philanthropies, the project to save Canonsburg Lake.
- **May 26—Jerry McNellis**, sponsored by Sandra Castro, spoke about his life's journey with polio.
