**GLEN PARK, RIVER FALLS, WI**

*Free shuttle transportation will be available from several River Falls locations in collaboration with the River Falls Bluegrass Festival.*

## What is Earth Fest?

Earth Fest is a free community celebration of the past, present, and future sustainability efforts in River Falls and the surrounding area. This family-friendly event includes live music, fun family activities, food sampling, a sustainability and wellness fair, free giveaways, and more.

## Why Sustainability and Wellness?

As a community, we need to actively manage our human, natural, and financial capital to meet the needs of the present while ensuring adequate availability for future generations. This requires taking care of our people (wellness) and the one and only planet we have. Fostering a sustainable community is integral in achieving a successful future for all of us.

## Who is invited to Earth Fest 2023?

Everyone is invited...residents and nonresidents, young and old, those involved with environmental sustainability and wellness and those who want to learn more. ALL ARE WELCOME to come together as a community and enjoy nature!
