Camp 2026

Jenna Juetten

Why Egypt?

- Wanted to travel and experience another culture
- Wasn't ready to commit to a full exchange year
- Originally considered Europe
- Saw "Egyptology Culture Camp" and immediately knew

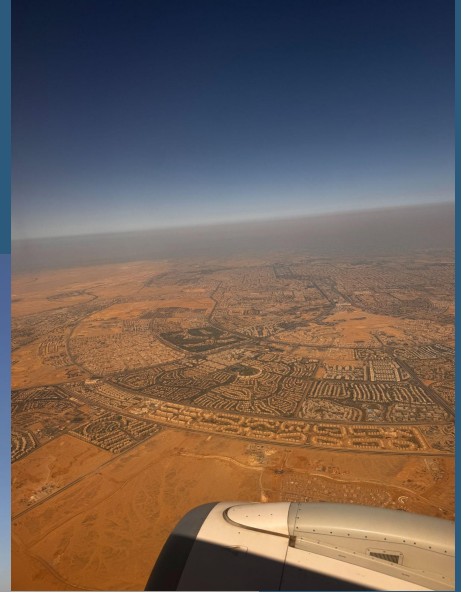

Travel: Wisconsin → Egypt

- MSP → Frankfurt → Cairo
- ~13 hours of flying
- Traveled with Molly from Minneapolis
- First international trip without an adult

1st Impressions

- Fast-paced
- 100°+ heat
- Very late nights + early mornings
- Long meals & lots of conversation
- Egypt was always “awake”
