

Membership Costs
Effective July 1st, 2025

Rotary Club of Baraboo membership costs include dues, meals, and (optional) Rotary Foundation contributions.

Dues are billed in advance and are currently calculated at a rate of \$5.75/week. These include due to Rotary International which include a subscription to The Rotarian magazine (print or digital), Rotary District 6250 dues, and Rotary Club of Baraboo dues. The dues support the Club's administrative, volunteer projects and youth exchange costs. Dues will be billed to members on a quarterly basis, typically within 15 days of the beginning of the quarterly period (July 1st, October 1st, January 1st, and April 1st). Dues may also be billed semi-annually or annually at member request.

Members have two payment options for the weekly meals. Meal costs may be:

- 1. Billed in advance quarterly, currently at \$9.00 per regular meeting. There are no credits or refunds for meetings not attended or meals not eaten, except for meetings cancelled by the Board of Directors for reasons such as inclement weather or holidays. The number of Wednesday noon meetings are typically 11 or 12 per quarter.*
- 2. Paid-as-you-go and payable to the Sergeant-At-Arms as meetings are attended/meals are eaten at a rate of \$10/meal using cash or check. Credit/debit cards not accepted. The Sergeant-At-Arms will provide a receipt to the member, if requested.*

Members shall notify their preferred meal payment option to the Treasurer within 7 days of the beginning of the Rotary year (July 1st).

Contributions to the Rotary Foundation advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty. While not required, the Club strongly encourages members to contribute to the Rotary Foundation at a level of at least \$100 on an annual basis. Contributions to the Foundation's Annual Fund will be automatically added to Club billing statements at a rate of \$25/quarter and will be remitted by the Club Treasurer to Rotary International. Members can opt-out of the billing by contacting the Treasurer. Additionally, contributions can be made by the member directly on a one-time or recurring basis at <https://my.rotary.org/en/donate>.
