

The background of the slide features a large, semi-transparent watermark of the Rotary International logo. The logo is a gear-like wheel with a central circle and four spokes. The word "ROTARY" is written in a blue arc across the top, and "INTERNATIONAL" is written in a blue arc across the bottom. The gear itself is yellow and blue.

***Bring it Home* – Creating Learning  
Opportunities for Farm Truck 912**

# Organization Overview

Forsyth Farmers' Market consists of:

- Saturday Market, in Forsyth Park
- Farm Truck 912, a mobile farmers' market
- Bring it Home, educational activities

We strive to promote understanding and participation in a local food system that supports sustainable production and increases access.

# Farm Truck 912

# Project Overview

- We will pair Bring it Home educational activities with Farm Truck 912 sites throughout Savannah
- Our timeline is July 2015-June 2016
  - Funds will be used for materials, honorariums, and incentives
  - Other funding used is from Healthy Savannah, USDA, Mercer University

# Volunteer Opportunities

There will be volunteer opportunities available at every Farm Truck 912 location.

- Opportunities will be in preparation, outreach/marketing, events, and leadership
- Opportunities will be available up to 3 times a week
- Metropolitan Savannah Rotary members will engage with a variety of community members

# Bring it Home engagement

# Summary

Pairing Farm Truck 912, Bring it Home activities and concerned citizens will bring communities together through a basic need – healthy food – and create opportunities for our neighbors to connect and grow stronger together.
