

SURF'S UP BEACH CAMP

to benefit Fresh Air Home

Metropolitan Savannah Rotary Club

Sponsorship Levels

Metropolitan Savannah Rotary is hosting a fundraiser to benefit the Fresh Air Home (FAH)! Metro Rotary will be working with FAH to send at-risk children ages 4-11 from Chatham County and the surrounding counties to its 10-day overnight beach camp. Campers will experience many activities that they otherwise would not have the opportunity to enjoy. These include two beach trips per day, field trips, picnics, arts/crafts, music, outdoor sports, talent shows, dances and movies. Metro Rotary is also involved with service projects at FAH to refurbish many of their structures and replace equipment. The Fresh Air Home has operated at Tybee Beach since 1939. Approximately 400 children visit the camp each summer. With every contribution of \$600, you will send one child to the 10-day camp! We hope you will join us in supporting this wonderful cause!
