

Waunakee Rotary Foundation 2020 Service to Humanity Scholarship Application

Description

The Waunakee Rotary Foundation awards four \$1,500 Service to Humanity Scholarships annually to graduating high school seniors who provide exemplary volunteer or community service.

Eligibility Requirements

- High school seniors in good standing residing in the Waunakee Community School District graduating from Waunakee High School, Edgewood High School, Madison Country Day School, St. Ambrose Academy, or a homeschool.
- Seniors awarded scholarships must be registered as full time students (12 credit hours minimum) at an accredited university, college or technical school in the Fall of 2020.
- Children of Waunakee Rotary Members are not eligible due to certain tax regulations.
- Scholarship recipients are required to attend the Waunakee Rotary Club meeting held at Rex's Innkeeper on Thursday, June 4, 2020, from 12:00 p.m. to 1:00 p.m. You and your parents will be our guests during the lunch meeting and you will briefly address the club.

Application Requirements

1. **Complete the attached Application Form and submit all required documents by April 9, 2020. Incomplete or late applications will not be considered.**
2. Include one recommendation letter from a volunteer or community service supervisor specific to this scholarship. A college application letter of recommendation will not be accepted as a recommendation letter for this scholarship.
3. On separate single sided sheets of paper provide the following information typed in 12 point font:
 - a. Write an essay between 500 and 1,500 words describing your volunteer or community service and how it follows the Rotary International Motto, *Service Above Self*.
 - b. Write a short essay between 100 and 200 words describing how you have encouraged other people to volunteer.
 - c. Write a short essay between 100 and 200 words describing the best volunteer or community service leader you have worked with and what made this person a good leader?
 - d. Which university, college or technical school are you planning to attend and what is your anticipated area of study, major or career goal?
