Youth Services Report

Director: Karl McKenzie

Rotary Mundingburra can once again be proud of our commitment and support to the Youth Exchange Program.

I would like to start by thanking Katanya Lee, Aloisia Ferfolja and Sue Lloyd for all their support through the last 12 months.

This year we have farewelled Lee Chen from Taiwan, and I would like to thank all those families that hosted Lee.

We have welcomed Laura Gomes Guido from Brazil, who will leave us in July, when we welcome Maria Tenca from Italy. A huge thank you once again to all of our generous host families.

In May, Laura and Emeline regaled us with their exploits while on Safari. They had a wonderful time and made some lifelong friendships.

This year, our outgoing YEP student Tomas Muguira departed for Denmark. Tomas is having a great time in Denmark and is having an interesting time learning the language.

We look forward to supporting more students for the National Youth Science Forum. NYSF is a 12-day residential activity at ANU Canberra about real life science experiences, more than 11,500 participants since commenced in 1984. NYSF - Empowering tomorrow's science leaders.

We look forward to supporting more young people in their endeavours this year.

Thank you to all those that have provided support to our Youth Services Programs.

Karl McKenzie

National Anthem

Australians all let us rejoice;
For we are young and free;
We've golden soil and wealth for toil;
Our home is girt by sea;
Our land abounds in nature's gifts
of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

Rotary Grace

We break Thy bread of Brotherhood,
And thank thee Lord
for all things good,
May we, more blessed
than we deserve,
Live less for self and more to serve.

Public Relations Report

Director: Charmaine Binnie

Noun - the professional maintenance of a favourable public image by a company or other organisation or a famous person.

Without a doubt this year has seen Rotary Club of Mundingburra continue to maintain a public image that is in keeping with the Rotary ethos.

Mundingburra has been represented locally, nationally and internationally with members volunteering at the Sunday and night markets, representing our club at the annual conference in Alice Springs and the Alan Hannaford - After the Floods Resilience Tour to Richmond and further abroad, lending a helping hand in countries such as Cambodia. All of these show the best side of Rotary and our members.

Rotary Club of Mundingburra should also be proud of what they have given back to the community over the past 12 months, this was acknowledged in Rotary Downunder in May. As a club we have made donations to a number of worthy causes in the community and worked with a number of other Rotary clubs to achieve our goals.

As a club we have grown and we have welcomed and farewelled exchange students and those that are just passing through continuing to be a social and supportive hub for Rotarians and others locally and from around the world.

The past 12 months has seen Rotary Club of Mundingburra go quietly about its job and focusing and encouraging international relationships, improving lives, creating a better world to support peace efforts and to end polio.

Rotary Club of Mundingburra continues to display the values of Rotary and those that are members. Well done to all.

Charmaine Binnie

Rotary Club of Mundingburra Vision Statement

"To become more visible within the community with a focus on diversity of gender and culture as a community service club whilst embracing the avenues of service of Rotary International".

"The 4 Way Test"

Of the things we think, say or do.

- 1. Is it the **TRUTH**?*
- 2. Is it **FAIR** to all concerned?*
- 3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?*
- 4. Will it be **BENEFICIAL** to all concerned?*

"The Object of Rotary"

Is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business and community life;

Fourth: The advancement of international understanding, goodwill and peace, through a world fellowship of business and professional persons united in the ideal of service.

New Members Project

During the year the Board agreed to allocate \$2,000 in the budget to fund a project identified, developed and managed by the newest club members under the guidance of the President, Service Project Director and Membership Director (and facilitated by the Membership Director). A meeting was held in April and resolution made that the project should focus on identifying a practical and useful way to assist disaffected youth. Work is ongoing.

Thank you all for your support especially my fellow Membership Committee members. Congratulations to President Miriam on a great year. In my view Mundingburra Rotary continues to go from strength to strength and that is entirely due to the efforts of all members of the club, not just those on the Board or Committees.

President's Report

Miriam Owato

Fellow Rotarians, Special Guests and Friends of Rotary

It just seems like yesterday when we marked Mundingburra Rotary's 60th birthday, celebrated Alan Nelson's year and ushered in a new year. It has indeed been a great privilege to serve as the President of this amazing, vibrant and progressive Club.

Reflecting back on the year, I am so grateful to my immediate family and the wider Rotary family for the support and encouragement throughout the year. Thank you all for making this year enjoyable and successful. To the Board, I want to express my sincere thanks to you for all your hard work. We could not have achieved what we did without your input and willingness to go the extra mile to ensure that we accomplished the tasks at hand. Thank you very much Alan and Sue for holding this 'rookie's' hand throughout the year - I couldn't have done it without you.

RI President Barry Rassin's theme for 2017-2018 was "Be the Inspiration". Mundingburrans, each one of us has been an inspiration to someone else in big and small ways and that is our greatest achievement.

This Club has continued to make a very significant contribution to the Townsville Community and many times in a quiet but very effective way. Members have worked hard and this has enabled us carry out projects that have made a difference in our Community, changing one life at a time. The good work that we do cannot succeed in a vacuum. It takes the exchange of ideas, voicing of opinions, financial contribution and our actual physical participation to turn the wheels on which this vibrant Club rides on.

Good times have been interspersed with the 'not so good times'. As a family we have laughed and cried together and that can only serve to make us stronger. I have been challenged by the strength, selflessness and resilience of our members. May we continue to look out for and support one another.

The Club could not have picked a better leader to serve as President in 2019-2010. Congratulations Sue Lloyd and we look forward to a wonderful year under your leadership! You have a wonderful group of people serving on your Board and this

Club can only grow from strength to strength. We acknowledge our rich heritage and focus with eager anticipation, to a bright and prosperous future.

In closing I would like to reiterate my comments at the Changeover Dinner last year. *Every one of us has something unique to give: our own special combination of talents, knowledge, effort, abilities, dedication, fortune and devotion. Growth is painful. Change is painful. But staying stuck is even more painful.* Mundingburrans, keep up the good work and let us march forward into a brand-new year full of opportunities to serve and seek to build meaningful connections in our Community and beyond.

Miriam Owato

Rotary Club of Mundingburra

- An informal program of welfare checks with the Membership Director endeavouring to contact members who had not been to meetings, involved in Club activities for a while and/or ill. This was especially important at the time of the flooding in Feb to ensure everyone was safe and well.
- Provision of flood relief morale boosting packages. Three members of the club had their houses totally flooded during Feb and while they were fortunately covered from an insurance perspective it was thought provision of movie tickets, coffee vouchers and Bunnings Gift Cards might help their morale in very trying circumstances. Feedback suggests these packages proved most beneficial.

Information Nights

We managed to conduct two Information Evenings during the year albeit the second occurred much later in the year than planned due to other events, namely the impact of flooding in February. Nonetheless, both Information Nights were considered successful in terms of the event but alas did not immediately result in an influx of new members. The Membership Committee sincerely thanks those members who nominated people to come along to the Information Nights. Without this support Information Nights would stand no chance of success. While a number of those invited were unable to attend due to other commitments some have indicated an interest in Rotary and Mundingburra Rotary especially which may in due course extend to a desire to join.

The challenge on these nights is to come up with a way to make the evening interesting and entertaining without being too overbearing on attendees about getting them to join. Ideas very welcome.

Membership Status

At the time of preparing this report the net outcome from a membership number perspective is positive. During the year we were very pleased to welcome David Nutt, Sanjiv Kothari, and Debbie and Quentin Oddy into membership of Mundingburra Rotary. Unfortunately for us Sanjiv, an employee with Adani, had to return to his homeland of India and Alan Middleton moved on from Rotary, thus leaving the ranks of our membership. This leaves the club with a nett increase of two members for 2018-2019. Despite the small nett increase our club is certainly blessed with new members David, Quentin and Debbie bringing with them a wealth of skills and knowledge, and willingness to be involved in Rotary Service.

Membership Report

Director: Neil Andrews

Firstly, my most sincere thanks to President Miriam for giving me the opportunity to take on the role of Membership Director. Wayne Haller, Ron Degenhart, Sue Lloyd and Graeme Kenna graciously consented to join me on the Membership Committee and during the year we endeavoured to work to the membership aims President Miriam set at the beginning of the year. These were to get to know more about each member, focus on member welfare including recognising hard work and achievements, and conduct at least two Information Nights.

Getting to Know Our Members

The option chosen by the Membership Committee to achieve this goal was to publish information about members in the Spinifex each week. Titled 'Five Minutes with a Member' and containing responses to a small number of set questions provided by willing members, the information was designed to enable other members to learn a little more about their fellow Mundingburra Rotary colleagues. By all accounts the segment has been and is a highlight in the Spinifex each week. Thank you to everyone for providing contributions in the manner and style which has made the initiative a success. Now looking for something new to follow on with next year. Any ideas?

Member Welfare

President Miriam asked the Membership Committee to consider the 'care aspect' where a very deliberate approach to taking care of fellow members who might be going through a tough time would be put into effect. We have endeavoured to do this through the following initiatives:

- Recognition of personal milestones and special occasions for members and their partner spouse. Cards were mailed out to members and spouses on these special occasions. This was implemented in conjunction with Club Administration Director Sue.

Secretary's Report

Katanya Lee

As per usual, I don't actually have a lot to report. 😊

Thanks to President Miriam for hosting us for our Board Meetings and for providing a beautiful lunch for one of our meeting's.

As per normal, we have had some great speakers this year thanks to the hard work of Sue and Shane and I am sure this tradition will continue.

As always, I need to give the biggest thank you to my mum and dad, Janette & Allan Lee for their support with the Bunnings Sausage Sizzle. There is definitely no way I could do all of this without their support.

While on the Sausage Sizzle thank you to all those members who help out every week with a special shout out to Jim Baker and Kevin Strike, for the roles you complete every week, your help is greatly appreciated. The Sausage Sizzle would not run without everyone's support.

Congratulations President Miriam on a year well done! I am sure like me you will be happy to hand over the reins and I know we will be in good hands President Elect Sue and her Board.

I know you won't need it but Good Luck President Elect Sue for the next chapter of your Rotary Life.

Katanya Lee

Treasurer's Report **Aloisia Ferfolja**

The Rotary Club of Mundingburra continues to retain a solid financial position, while the Accounts are not yet audited, I estimate that we will end the financial year with approximately \$126,516 in the bank.

Current Accounts as at 16th June 2019 are:

• Club Account	12,253
• Community Account	71,481
• Visa Account	523
• Term Deposit	30,195
• Term Deposit	12,064
TOTAL	<u>\$126,516</u>

Of these funds we have received a donation of \$5,955.93 from Rotary Club of Iwaki Taira East and a further \$729 from Yoko Kanda a previous exchange student hosted by our club, these funds were donated to assist Flood victims. Sue and her committee are currently investigating a suitable project that will best help the Townsville Community. One project Identified is assisting Wee Care Residential services in rebuilding their residence in Railway Estate.

In addition to this we also retain \$4,388 from the Rotaract Club. These funds will be retained until the Rotaract Club can be revived.

The Bunnings Sausage Sizzle continues to be our greatest source of income. As at the 16th June 2019, we have distributed \$38,700 to our Bunnings partners, retaining approximately \$19,350 in our community account to assist in our community and transferring approximately \$6,450 to our Club Account to assist with the financial cost of running the Rotary Club of Mundingburra.

Club Administration Report

Director: Sue Lloyd

I would like to commence this report with the sincerest thank you to everyone in our Club who have assisted me during the year. It was also a pleasure to work alongside an amazing President who has served our club with Grace and Passion for Rotary during 2018-2019.

During the year we had an incredibly diverse program filled with inspiring speakers, wonderful vocational visits and some great social events. The club is extremely grateful to Shane Smith for organising our speakers, our vocational visits and for filling in as Chair at the last minute when I frantically tapped him on the shoulder - my sincere thanks Shane. Many thanks to Peter Kaye who has been our liaison person with The Rising Sun Hotel. Whilst we have had a few challenges, we are grateful to have a home each week to meet.

Thank you to Bill Muguria, Trevor, Aloisia and Katanya for always being there and ensuring things run smoothly. To each member who fulfilled their weekly duties and especially our Chairs - a huge big thank you. Without your commitment, our attendees would not have such an enjoyable weekly meeting. Without us all working together, we would not have achieved the year that was.

I would also like, on behalf of the Club thank Trish for ensuring we receive The Spinifex each week. A fabulous job. We really appreciate your time and commitment Trish.

Meeting Program for 2018-2019:

July: (A New Rotary Year)

- Club Forum
- Trivia Evening at St Matthew's Church Hall
- Fellowship meeting at the Domain Central Coffee Club
- Cane Knife Debate with Rotary Club of Hinchinbrook at Ingham

August: (Membership & New Club Development Month)

- Bob Montgomery - Riding from Darwin to Port Douglas
- Getting to Know our members
- Victoria Porter - No Means No Kenyan Project
- Vic Riella - A Honey of a Hobby

Project Ace

Ace Bryans was diagnosed with Glutaric Aciduria Type 1 when he was 6 months old. This is a genetic disorder and at the time there were only 3 people in the world who had the condition.

Ace cannot walk, move, or speak. Over the last few years his breathing and eating has become very laboured and difficult for him. The one thing he does have is the power to communicate through his computer device.

The computer allows him to access the internet which is his most precious resource and gives him a little more of a normal life. He loves to watch YouTube, play games, research, with his most favourite thing being to watch the Brisbane Lions.

Proposal

To adopt **Project Ace** as a fundraiser to purchase NuEye Eyegaze, Accent 1400 with Unity device at a cost \$11,993.

Method

The club to allocate a series of Bunnings BBQ days with 100% of monies raised to go towards the Project.

Mundingburra to provide the usual set-up and cook, with additional support people provided from various sources in conjunction with Jim Baker.

Townsville Sunrise to provide reciprocal support following our support of their two vehicle purchase projects.

Funding:

Bunnings Sausage Sizzle \$5,000
Contribution TSV Sunrise \$3,000
Mundingburra \$3,990

Total \$11,990

Rotary Foundation Report Director: Brydget Barker-Hudson

The Foundation Committee tried several new ideas and maintained some 'old' favourites in efforts to raise \$\$\$ for our Rotary Charity in 2018 /2019.

At the beginning of the year, I distributed Centurion collecting towers to all members.

I know that Sue has used this as a means of giving to the Foundation, however I, and many others have not. My Centurion stands lonely and unloved on my desk, receiving a donation very rarely - can I commend this form of giving to all. Please find him, place him prominently on your desk, and donate whenever you commit whatever sin or good act that you choose. There will be a small prize for finding a great name for our Mundingburra Centurions - Spinifexius??

I tried to institute a 'giving and taking' table in July/August, and through this means we raised almost \$500. The idea did not 'catch-on' with members however, I have about 100 DVDs I need to find better homes for - so in July the 'table' will return. I still believe that it could be a good means to recycle things we all have lying unloved around our homes and which deserve a brighter future and contribute to Foundation

at the same time. Please consider adding such items, to the 'table' early in the new Rotary Year.

Film-night for Polio Plus was again a good success with everyone enjoying the film based on Freddie Mercury and the Queen story. In all we raised about \$3,000 in Townsville towards our Foundation projects.

Our "World's Greatest Meal' event has had to be postponed but will be held early in the next Rotary Year - your continued generous support is encouraged.

I believe our greatest success this year has been due to Peter and the New Generations Committee. The two doctors from East Timor who came to Townsville greatly enhanced our lives and we hope the skills and knowledge they gained whilst with us will be of benefit to them, their patients and nation.

If you would like to offer your skills and talents to the Foundation Committee next year - please contact me or I will be tapping people on the shoulder again - OUR CHARITY - Foundation, is a brilliant avenue to make the world a better place. I do not wish to be morbid, but if you are re-making your will this year - please consider a bequest to Rotary Foundation - we have forms and can tell you how to affect this generosity.

Service Projects Report

Director: Peter Kaye

Whilst there have been various small projects during the year, including tree planting at Bluewater Creek and assistance to families affected by the Townsville floods, two projects have been undertaken to better the lives of two families.

The first was a hands-on project to remodel a bathroom for an elderly couple in Cranbrook.

The second project essentially involves fundraising to purchase specialised computer equipment for a profoundly disabled teenage boy.

Bathroom Project

The need for this was first identified by Rotarian Shan Delany who came across the issue when speaking with a client.

Her client's elderly parents were using an unsuitable fiberglass shower cubicle to bathe where there was a very high risk of falling when getting in and out of the confined space.

The job entailed the removal of the old fiberglass cubicle and replacing with a new shower tray, aqua-panel walls for the shower recess and new plumbing.

The project was completed in approximately 5 days over a three-week period.

Special thanks to Vince Nielsen, Bill Barber, John Hall, Alan Nelson, Jim Baker, Peter Kaye.
