Rotary Employment Project talk from Inclusions Solutions

President's Report

Hi Fellow Rotarians

Firstly, what a fantastic meeting last week. It was great to have the Interact Club from Townsville Grammar attend our weekly meeting, a big thanks to Robert for facilitating this. It was good to hear the students have been busy fundraising and helping both the local community and abroad with their projects.

This week we have the Rotary Employment project talk from Inclusions Solutions being presented by Ricky & Joanne.

On a special note, David Nutt is asking for volunteers for the Townsville Rotary Mega Markets on Saturday 7th August 2021, at this stage we have 5 people who have offered assistance. Please if you are available to assist, please volunteer, this is easy money for the club.

Could I ask that everyone read the Spinifex in regard to the jobs they have been allocated. For the meetings to run smoothly everyone in the club needs to do a small job occasionally. It may be introducing or thanking a guest speaker, being scribe, chair or being on the door, you will be rostered occasionally and it is up to you to check if you are on the roster. If you cannot do the job, please ask someone else to do it. Claudia how now taken over this role in the new year, please work with her.

Rotary Club of Sunrise is asking us to help sell tickets for their \$100,000 prize raffle. Please consider buying a ticket or putting together a group to buy a ticket or two. We do share in the profits according to the number of tickets we have sold.

Our main fundraisers are the Rotary Markets and The Bunnings sausage sizzle. We are always looking for volunteers so if you could help Bill or David, please let them know.

Have a great week.

President Ryan

"The Object of Rotary"

Is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First:** The development of acquaintance as an opportunity for service;
- Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third:** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth:** The advancement of international understanding, goodwill and peace, through a world fellowship of business and professional persons united in the ideal of service.

"100 Rotary Quotes": 1928-29 I.B. Tom Sutton (hardware wholesaling), Rotary Club of Tampico, Tamaulipas, Mexico. **Rotary vision: To hold the good of the organization's past in reverence, as it climbs to higher usefulness in the future.** "Untold blessings have come...with the conquering of disease and the lengthening of life, but have we stopped to consider the wonderful growth of understanding...the expanding kindness and goodness in our social relationships? These have come with a very natural desire to enjoy a higher and higher plane of civilization." - Address to 1929 Rotary Convention, Dallas, Texas, USA

Last Week in Review

Chair Shane Smith: opened the meeting at 6.31pm and started the meeting with the National Anthem (eventually after finding the disk 😊) and Rotary Grace.

Registration Officer Phil: welcomed out guests for the night who were our Interact group consisting of Kristell Scott (Mentor), Aimee Smith (President), Chloe Crocker, Ciara Cavandach, Het Patel (Treasurer).

Chair Shane Smith: after forgetting to bring on the Changeover night, he presented Bill Barber with his Avenue of Service Award.

President Ryan's Welcome: feels like Frank from Pizza Napoli, (who deals in cash only). He had a great time racing cars last week. Thanks to the Interact for coming tonight. The Hinchinbrook Club, have requested a joint meeting at Mystic Sands Golf Course on Wednesday the 28th of July. He will take the Cane knife and present it to the Club on the night. Don't forget Bill needs people for the sausage sizzle and Dave needs people for the Markets.

Registration Officer Phil: welcomed a late guest, Miss Elizabeth to the meeting.

Guest Speaker Introduction Robert Tardiani: Introduced President Amy Smith, Chloe Crocker, Kiara and of course the token male Het. They are going to give us a small talk about what they have done in the last six months. I should also introduce Kristell who is the Mentor of the group.

Guest Speakers Interact Club Board: sorry we weren't prepared for doing a speech today. We have been doing a lot of fund-raising activities. Did some fund-raising at the swimming carnival. We had a Food drive which we donated food to Food Relief. They loaded the food into a truck and took it too Food Relief to which Jay Webb is doing a fabulous job. Amy Segall raised a lot of money for MS. Every Friday we have a snow cone drive which we raise about \$70 in half an hour. They pay for what goes into the kits and to get them transported. Robert congratulated them and he is very proud of the work. Ron Degenhart asked

them what they find most rewarding about being involved in Interact. Het is proud of knowing what the charities do. Amy was really proud of Clean up Australia day as it was something they did themselves. Ciara was impressed with the different age groups involved in Interact. Chloe, knowing that what we do helps the community and meeting people like Rotarians. The number in the group vary with sometimes up to 40 students. Amy has spoken to the Head of Interact at Kirwan but other than that they don't really communicate. They would like to try and fund-raising to try and pay for a student to go to school in Timor. Rob has touched base with Ray Faulteroy about this. Kristell would eventually like to be involved with our club to go to Timor and help build something and be hands on.

Vote of Thanks Robert: the 4 and Kristell students here were involved in our Conference. As we all know we celebrated the Centenary of Rotary in Australia. Robert presented the students with a coin (to which Chair Shane encouraged them to put in one of the machines on the way out which was not approved by Kristell for obvious reasons!)

Chair Shane: don't forget to look at the Spinifex to see if you have a job for the week.

Directors Reports:

- **Peter Kaye:** How good does everyone look in their new club shirts. I know you have all read the Spinifex. Make sure you read the back page so you know what role you have. If you are head of a committee, please make sure you meet with your group to start planning for the year. For my committee, please start thinking about what we can do with regards to a Hands on working project. (Chair Shane does have a Hands on Project, my lawn needs mowing!)

Shane proceeded to tell a joke about Jan.

- **Sue Tardiani:** Would like to have a committee meeting next Saturday to have a forum on how we can get new members and how we can retain the members we have.

Last Week in Review

- **Claudia Trave:** she has news, which is she has a Full-Time job in Townsville which seems to be long term. Thanks to all those who have supported me.

Chair Shane: Thanks to everyone for coming, don't forget to read the Spinifex for your duties next week.

The meeting was closed by toasting Rotary International, Queen and Australia at 7.31 pm.

Sergeant's Session - John Hall: His first fine goes straight to Chair Shane about not following the correct protocol and checking that the Serg has eaten. Dave and Jackie for being late. Johnno for continuing to talk through the meeting. I know that Robert is a mad football fan, who was Man of the Match last night? Neil had to pay for putting out an answer. Jim Baker had to pay up for kissing John Hall at Golf on Friday, luckily his beautiful wife came and saved him. Who knows what Interact is known as in other Districts? What is Earlyact known as? Peter Holmes for being 65 tomorrow (😊). Robert for not having lovely people he knows join the Club. Ryan for being a cheap sake and not driving in an appropriate car.

Raffle: Sergeant - Chloe drew the 2 tickets which were - F39 which was Peter Holmes for the Red - F58 which was Ian Corney who took the white.

Closing Remarks by President Ryan: thank you ladies and gentleman for your presentation on Interact, you have done a great job. Next week's guest speakers are Ricky Esterguest and Joanne Lynam from Inclusions Solutions. Don't forget about Mystic Sands and get your name on the attendance list. Thanks very much everyone.

Joker Drawer: F32 which Kat drew but unluckily drew the 5 of spades.
