TGS Interact Club

**President's Report**

Dear Fellow Rotarians,

Welcome to another Rotary week!

Last Thursday we had a really nice evening dedicated to the Lift the Lid for Mental Health project with most of our attendees coming with a hat and a story. We will try to organise soon another evening more dedicated to the project - with dedicated guest speakers - so we can explore more in depth the great contribution done to research on mental health, Rotary's involvement (particularly since we have members who have had a direct hand in this) and how to reach all members of the community.

This week instead we celebrate our younger generation with a visit and presentation from the TGS Interact Club. I am sure you all will make them feel welcome and I encourage you to invite one or two of our guests to your table. They are young and with many fresh ideas and perspectives, so it is a great opportunity for us to listen and strengthen the connection we have with them. They are the future Rotary generation after all, and it is our duty to look after each other.

Take this opportunity also to remind them of the 2022 Interact Awards! (flyer below in the Spinifex) The deadline is set for Dec 01, so the Interact Club has still time to participate with a submission and receive funds to sponsor their projects. It would be a great opportunity for some of the members of our Club to be involved and assist/support them with this challenge.

For those of you interested in the Good Shepherd Home, a quick reminder that the 50<sup>th</sup> Anniversary Celebration will be held on the 8<sup>th</sup> of November (flyer below), so if you wish to attend, please RSVP by the 4<sup>th</sup> November with numbers.

And to finish, as usual a thank you to all who are helping with the markets and BBQ (you are the financial and PR soul of this Club), and a further encouragement to other people to get involved.

There are still a few shifts to the Willows markets to be filled for Feb 2023 (the coveted position of 'Ass. Coordinator') and Bunnings always need members to keep the BBQ running.

Thanks everyone and see you on Thursday!

Dr. Prez. Claudia

### "The Object of Rotary"

Is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First:** The development of acquaintance as an opportunity for service;

**Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third:** The application of the ideal of service in each Rotarian's personal, business and community life;

**Fourth:** The advancement of international understanding, goodwill and peace, through a world fellowship of business and professional persons united in the ideal of service.

**"100 Rotary Quotes":** 1982-83 Hiroji Mukasa (neuropsychiatry), Rotary Club of Nakatsu, Oita, Japan. **Rotary vision: To recognize that Mankind Is One - Build Bridges of Friendship Around the World.** "Working to find peace in the world is a family problem. It is not too big a problem to deal with if we realize that we are all from the same family." - Building Bridges of Friendship in the Community, THE ROTARIAN, August 1982

## Last Week in Review

Chair Graham Kenna opened the meeting highlighting the theme of the meeting the evening was an Australian Rotary Health program - Lift the Lid on Mental Illness.

This was the first meeting where we trialed a new format, with members conducting the normal meeting in the upstairs meeting room. Following completion of the formalities we were to relocate to a downstairs dining area for dinner.

President Claudia Trave advised that she had very little to say this evening.

As part of the Lift the Lid campaign, each member who had worn a hat to the meeting was asked to stand and provide a brief overview of what their hat represented or the purpose of their hat.

Claudia opened the proceeding with a dissertation of her hard hat giving a great deal of information regarding the wearing of such head gear.

Bill Muguira opted to display his Spanish heritage with the wearing of a sombrero and suggesting it was siesta time. Jim Baker wore his Scottish golf cap and Grant Harper displayed his aeronautical beret. Ron Degenhart donned his

kiwi beanie and PK forgo his hat and wore a D9830 Rotary cap. These were a few of many who participated.

The proceeds from the raffle on the night went to the Lift the Lid Mental Illness campaign and was won by Alan Nelson.

PP Ryan conducted the sergeant session but was ill prepared relying on Spinifex data for ammunition.

The different dining area and new format of seating arrangements provided a great opportunity for fellowship with several members remaining for a chat. The jury is still out as to whether this might create a division with some members who might decide not to eat and leave the meeting when we relocate downstairs. This of course will need to be monitored as in the short term we are obliging RSL with the new arrangements.

### The 2022 Interact Awards are here!
