President's Report

Hi Fellow Rotarians

What a great meeting last week! It was great to hear from Rob and the role he has in educating the young people in Rotary. Also, another big thanks to Peter is arranging the Bluewater event and thanks to all the members who turned up to help out. Ron leading his team in planting the trees. It will become a very shady park in the near future. Also, the project in refurbishing the sign is coming along as well. Thanks Dave for leading this.

The bylaws committee met on Sunday to finalise these guidelines. I was very pleased with the end result which we will present to the club in the next couple of weeks. Big thanks to Brydget, Claudia and Alan for their time in doing this task. As mentioned, these bylaws are all about giving incoming board the guidelines and transparency that the all the members will appreciate.

We have our first partner's night on the 11th of February. Our Valentines night. Please bring the other half along for another fun night arranged by Jan and the crew. Promises to be a great night with a very special guest speaker and lots of prizes.

Incoming president David is still looking for interesting guest speakers please help out if you can.

A bit of sad news in that PP Miriam has resigned from the club. Miriam has a very busy study work load at the moment and we wish her well with her studies. We will always lose members for different reasons so it is important to continually get new members.

On the 18th of February we are having a prospective member's night. Please consider bringing someone along to experience Rotary. Could you give Jan the names and contact details for catering purposes?

The treasurer is sending the dues out soon and I would ask that everyone pay promptly. We all have busy lives and can forget things at times so we have the facility to pay your dues by credit card at the door on a Thursday night if it is easier for you.

The Bunnings sausage sizzle are always going ahead. Bill is always looking for people to help so please let him know where you want to be out on the roster.

I would like to finish up with my thought of the week:

"Life is all about perspective. The sinking of the Titanic was a miracle to the lobsters in the ship's kitchen."

Cheers

Pres Shane
