Presidential Message

We had a goodly roll up for brekky at Odyssey on the Stand last Thursday morning.

Weather was kind, the company was good, and parking was a nightmare even at 7.00am.

Brydget and Bill Barber continue their convalescence following surgeries, and we trust they'll have full recovery in the days ahead.

We have some interesting speakers lined up beginning this week, with Neil Andrew's reflections of the WW1 battlefields for our Anzac Day commemoration.

May 1st meeting we will have Melanie Banks, Regional Community Engagement Coordinator Queensland Fire Department. We met Melanie at Defence Welcome Day, and she is keen to speak to us on a range of issues.

08 May, Andrew Hovenden will give a presentation on The Battle Initiative in support of Military first responders. We also met Andrew at Defence Welcome Day recently.

A reminder also we are having another toy stall at Fairfield on 26th, and planning is underway for the World's greatest meal supporting Polio at Dr Allan's home in June.

Wishing you all a Happy and relaxing Easter break

“The Object of Rotary”

Is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.

Third: The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace, through a world fellowship of business and professional persons united in the ideal of service.

Pre Easter Breakfast Social morning

As we had no formal meeting, we have no photos or notes to cover, except to say I understand it was a very enjoyable breakfast with fellow Rotarians.
