President's Report

Hi Fellow Rotarians

What a great meeting last week! I hope you all enjoyed the recipes I shared with you. I am hoping I can share a few more with you in the weeks to come. My favourite is sheep tongues.

Our guest speaker was very interesting. Of all the guest speakers we have had over the years I can say that we have never had a UFO expert. From the amount of questions and comments after Thea spoke, I think the members enjoyed it as well. I hope some members make it to Cardwell, the UFO festival sounds like a hoot. Please if you have someone with an interesting story, please ask along to present to the club.

PDG Peter Kaye lead a busy discussion on the possibility of the OP Shop stall. While in principle it sounds like a great idea, the work load may be too much for one club. Could be a JV with other clubs or another organisation? I did like the fact that so many members had an opinion and contributed to the decision.

Big thanks to Dr. Allan to lead a fundraising committee.

The changeover meeting last week was a great experience even though only a few members could attend the rest of the club joined us in spirit. Thank you to everyone who attended. As I mentioned at the changeover meeting, there would not be many clubs with 4 past district Governors in it. Mundingburra would have one of the most experienced clubs in Australia.

Welcome aboard to Rob and Sue and thanks for joining our club. The demise of their club does point out a valuable lesson on continually getting new members. Could I ask every member to consider asking someone to come along to a meeting with the thought of joining our great club.

I would like to finish up with the thought of the week:

"For every action there is equal and opposite criticism"

Yours in Rotary

Shane
