## **Last Week's Meeting**

Our speaker didn't forget this week! Catherine Vaara is the CEO of Lifeline Mid Coast NSW. From Catherine we learned that there are 6 Lifeline shops under her jurisdiction, that covers the area between Nambucca Heads and Bulahdelah. Between 70 and 80 local telephone crisis supporters take 16000 calls a year. As well as their well-known suicide prevention services, Lifeline also offers Support After Suicide groups for those bereaved by suicide.

If you would like to learn more about Lifeline Mid Coast NSW, start here:  
<http://www.lifelinemidcoast.org.au/about-us.php>

The club was pleased to make a contribution to Lifeline's work by presenting Catherine with a cheque for \$520, which is the cost of training a telephone crisis supporter.

We were also joined by Robin from the West Kempsey Club. Good that she could find us at our new venue.

Last week's bulletin provided a photo of the fabulous view from the Waters Edge. This week, we have a photo that is: (pick one)

- just as fabulous.
- nearly as fabulous.
- an absolute disgrace!

OMG! But desperate times call for desperate measures!

## Upcoming Events

### STAR

May 1

### Big Dig

Sunday  
May 15

### District Assembly

May 22

## Social Sipping

A refined crowd of about 20 met at Quaylime on Friday evening for a social get-together. It's still a mystery why we were banished to the verandah, but we could still find the bar from there, so no harm done.

## Other stuff

Trish is recruiting slaves to once again cater for the District Assembly. May 22

The grant for Lighthouse Stage 5 has been received, with work to start straight away. As a result, Neil is also looking for slaves.

Rotary Club of Laurieton is celebrating a 50 year milestone. Why not join them for dinner at LUSC on May 21 at 6pm? It would be nice if our club could be represented.

Individually we are unremarkable,  
but together, we are extraordinary.

Just like Rotarians.
