

The Compass

In our Rotary world,
the compass always points North

Club Bulletin – 27th September 2017

The Rotary week(s) ahead

- 4th October – **Dr Alan Goodey**, Waikato Hospital “Interplast”
This is a joint meeting, with other Rotorua clubs
- 11th October – **Captain Gaylene Harvey**
“Badminton horse trials, Paris by canal”

Club meeting 27th September 2017

3 minute speaker:

Neils Rasmussen – you never know when...

Being a school principal has it’s challenges and surprises and dramas. You don’t know who is going to turn up to school (or not). And you don’t know who is going to die – Neils was speaking to the guy who serviced the school vans. He said it was going to be the last time they spoke, and very sadly it was true – as this man set fire to himself outside parliament & died. And you don’t know if a problem kid is going to stay at school for a morning, after throwing chairs and smashing furniture. Neils has placed an advert in the newspaper, looking for someone “Fit and Fast”!!! Anyone interested?!

Guest speaker – Kevin Rowell, Sabre Safety Consultants

Another reminder: please bring some tinned food for the food bank

Chartered 8 March 1985
P O Box 1840, Rotorua

www.rotaryrotoruanorth.co.nz

Next Rotary Meeting:

Last week at Rotary Rotorua North

Club meeting 27th September 2017

President Noel Hill welcomed 27 members and 1 guest and 0 visiting Rotarians

There will be a directors meeting in the Manuka room tonight.

Today in History:

Birthdays of Meatloaf, Gwyneth Paltrow

Directors Reports:

Club Admin (Jim Falconer) – Some directors have met with hotel management, looks like there is going to be a good outcome, will be discussed at Directors meeting tonight.

Community (Paul Wollaston) – thanks for your contributions to the food collection. We'll do it again next week.

Market (Garry Adlam) – market is getting busy, with 5 calls asking for new stalls this week! Last weeks problems with a guys selling puha in the carpark might happen again. It is illegal for him to sell this, as he doesn't have a market licence. Plus he is not allowed to sell from the street. There will be an information sheet for you, giving details on what to do & who to call. Don't intervene, let the council deal with him...

An important note, several people haven't turned up for their duty. It is **your responsibility** to arrange someone to do your duty for you, if you are unable to attend.

International (Robyn Skelton) – no report

Youth (Gary Jenkins) – no report

Vocational (Hayley Murphy) – no report

Guest speaker – Kevin Rowell, Sabre Safety Consultants

Kevin wanted to help "Take the scary out of Work Safe", and spoke of his work experience on Icelandic staffed oil rigs. Hard work, with lots of risk and too much complacency on the part of the foreign crew. He won them over, and is now helping other businesses cope with Health & Safety policy and issues.

Everyone has a duty of care.

Use the "Risk Matrix" of Likelihood vs. consequence, to determine which issues need the most attention.

Pike River was the start of the legislation getting a major update.

Thought for the day
