What is Friendship Exchange?

Friendship Exchange is an international exchange program for Rotary members and friends that allows participants to take turns hosting one another in their homes and clubs.

Participants may travel as individuals or couples.

Benefits of an exchange:

- Broaden international understanding
- Explore a profession or job in a different context
- Build enduring friendships
- Gain opportunities for active project involvement and support
- Learn about a region’s people, food, languages, customs, and history

Our team will consist of a maximum of 12

District 5520 will arrange a varied and interesting program for the visit and from our experience with previous exchanges, you will get to see highlights and hear stories about the two states that a solo traveller would never get to see.

Please send your Expression of Interest to Caroline Lampp by 16th November 2025 at p.c.lampp@xtra.co.nz

If we are over-subscribed a ballot will take place.

We will advise you if you are successful (or not) and send you an application form to complete and ask for a deposit of \$30 per person.

Please consider applying to be involved for what will be an interesting, learning and fun exchange.
