Bulletin for Tuesday November 18, 2025

The Rotary Club of Katikati presents its bulletin for Tuesday, November 18, 2025. This document provides a summary of recent and upcoming club activities, meetings, and announcements relevant to our members and community.

Upcoming Meetings

18th November: Fairview; David Foris is the Greeter (no talk)
Hilary Johnson, Academy of Horticulture (Grohub)

25th November no meeting.

Daffodil digging

A reminder that the daffodils along the flying mile on SH2 just before the Omokoroa roundabout are to be dug up to save them from NZTA. Meet at 51 Francis Road at 10 am Friday 21st November. Bring a fork and a bucket and wear stout footwear.

Weeding at the Landing

Wednesday 19th November 2025, 8.30am

At the Landing, Cnr Beach Rd & Main Rd on the Uretara River Bank.

This is a follow-up of the planting completed on the 3rd September 2025 by our members in collaboration with Project Parore and Katikati Primary School. We need a small team of 3 to 5 members to do some weeding around the plants, so not too taxing. The work will take about 2 hours and will be followed by a cup of tea and biscuits. We will be working alongside Sharon Strong (Project Parore) and her group of volunteers.

RSVP: by text to John Strongman 0274996922

Please wear your Hi-Vis and bring your favourite weeding tool, some tools will be available.

Greeter , November 11

John Buchanan talked about his computer projects in the early 2000s to get computers into the Pacific and Southeast Asia.

Parting thought: "Today is the first day of the rest of your life."

Omokoroa Fundraiser

Our Omokoroa satellite club has organized a whisky tasting to raise funds for their projects.

Place and Time: the Coffee Club in Omokoroa at 7pm on Thursday 27th November.

Francis Young will introduce you to the world of whisky and Jim Bartee of Finer Wines has selected drams for you to taste.
